MOOD: *blink* *blink*

MUSIC: Dad coughing (what did HE do over the weekend?)

Back at work. It appears the world spun madly on without us.
Really should have taken an extra day.

But I devoted my entire carryon to things maple. Including the two boxes of molded maple-leaf candies that went straight to the appropriate desks.. *g*

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Maybe he can use maple syrup for cough medicine.

If anybody's going to have crud, Dad's the safest, you know. Nobody dares get near him anyway. o.O But I think it's just the allergy. Or mostly the allergy, anyway.

Cigarette smoke. Well, I think so, anyway. Illinois isn't smoke-free; wonder if he went to Chicago?
